

# *Thomas Berry*

&

## *the Spirituality of the Earth*

Dr. John O'Brien, C.P., PhD.

**Global warming, beach & soil erosion, unsafe water and unclean air. How can we be well on a sick planet?**

**Thomas Berry's new cosmology will focus a day of rest and prayer, learning and meaningful conversation. "The universe story" narrates the spirituality that heals a bruised earth and broken hearts.**

**\*\*Lunch Included**
